FORMS OF COOPERATION

The Executive MBA Programme is a great opportunity for corporate and personal development, as well as to promote the company among senior professionals.

1. CORPORATE DEVELOPMENT

One-day corporate workshops

- Our students can provide you with inspiration and an outside perspective on issues facing your business.
- During a one-day workshop, teams of students, supervised by academic experts, work with your staff to find solutions to problems you define.
- Find out how we worked with [CE Industries](#) and [BENEŠ a LÁT](#).

Semester consulting projects

- If you wish to work on more challenging projects that require more detailed analysis and more time to propose a solution, then the consulting project is for you.
- During the summer term, the student team, supervised by lecturers with consulting experience, work for several weeks to assist your business growth.

2. PROMOTING YOUR COMPANY TO SENIOR PROFESSIONALS

Guest lecturers

- We are delighted to welcome experienced professionals, senior, and top managers to our lectures based on their area of specialisation.
- Lectures on a variety of topics related to our [programme curriculum](#) are valued by our students and promoted on the Faculty and programme websites, social media, and through other means.

Company visits

- Invite our students to visit your business – your manufacturing or logistics site, R&D facility, or retail outlet. It is always exciting to share your experience and gain the attention of senior professionals and their companies.
- We are happy to promote the visit and your company on the Faculty and programme websites, social media, and other means.
- For inspiration, see how we visited the [BENEŠ a LÁT](#) production plant.

3. HUMAN DEVELOPMENT

Executive MBA for your employees

- Participating in our Executive MBA programme is a challenging yet rewarding task that will bring great benefits to your top executives and emerging talents. Supporting their EMBA studies will differentiate you within the Czech labour market.
- Your employees may benefit from a 5-20% discount, depending on your type of corporate partnership. You may also consider co-funding their studies.
